

CERTIFICATE

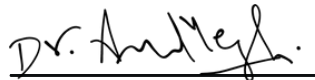

Of Appreciation

This is to certify that
N Sagar - 192210568

from **Saveetha School of Engineering, SIMATS**

has successfully attended the Industrial Visit to Space Zone India premises on **19-09-2024**

During the visit, He/she was exposed to various learning sessions, including insights into the company's successful missions, satellite payload integration, rocket assembly using SZI-VR tools, and the SZI-Aerodynamics kit. We commend the dedication and interest demonstrated throughout these sessions. Their engagement and enthusiasm were greatly appreciated.
